

# List of Numerical Analysis Assignments

---

| No | Topic                            | Page No. | Date       | Teacher's Signature |
|----|----------------------------------|----------|------------|---------------------|
| 1  | Bisection Method                 |          | 20/09/2017 |                     |
| 2  | Newton's Forward Interpolation   |          | 08/11/2017 |                     |
| 3  | Gauss Elimination                |          | 22/11/2017 |                     |
| 4  | Runge-Kutta Method               |          | 10/01/2018 |                     |
| 5  | Simpson's $1/3^{\text{rd}}$ Rule |          | 17/01/2018 |                     |
